WELCOME!

• Carefully review the program and note sessions and tours that interest you. You can build a custom schedule below or using the TERPlife app. Search for “Admitted Student Open House” to get started after downloading the app.

• Tickets are required for Campus Walking Tours and Financial Aid Consultations.

• Be sure to make time for lunch as you plan out your day. As a registered guest, you will receive a voucher for a discount to be used at any one of our dining halls.

• Shuttles will be available throughout the day to return you to your parking location. The last shuttle departs from Cole Field House at 5:00 p.m.

SCHEDULE

After check-in and breakfast, your day will begin with an information session from your college of admission. This is your chance to learn more about programs offered within your college and to speak with current students, faculty and staff. Throughout the rest of your day, you will have a selection of sessions and tours to choose from. See inside for more details.

8 a.m. Check-In & Breakfast

8:45 a.m. College Information Session

10 a.m. Most colleges provide breakout sessions until 11:00 a.m.

11 a.m.

12 p.m.

1 p.m.
Check-In
Pick up important information about your day.

Grab and Go Breakfast
Enjoy light refreshments from 8-8:30 a.m. before heading to your College Information Session.

Welcome
Meet an admissions representative before your College Information Session at 8:45 a.m.

8 a.m.

8:45 a.m.  COLLEGE INFORMATION SESSIONS
Following the 8:45 a.m. information sessions, some colleges will host breakout sessions to provide you an opportunity to learn more about specific majors.

Letters & Sciences
Calvert Ballroom, The Hotel at UMD, 2nd (M) floor
After learning more about Letters & Sciences, you will have the opportunity at 10:00 a.m. to ask college advisors questions or explore a variety of majors including Limited Enrollment Programs such as Business, Biochemistry, Biological Sciences, Chemistry, Computer Science and Engineering.

College of Agriculture & Natural Resources
Room 0226, H.J. Patterson Hall

School of Architecture, Planning & Preservation
Juan Jiménez Room, Stamp Student Union (SSU), 2nd floor

College of Arts & Humanities
Prince George’s Room, SSU, 1st floor
Please join the School of Music at 10:00 a.m. outside of room 2200 of The Clarice Performing Arts Center to learn about performance opportunities for both music majors and non-music majors.

College of Behavioral & Social Sciences
Atrium, SSU, 1st floor

Robert H. Smith School of Business
Crossland Ballroom, The Hotel at UMD, 2nd (M) floor

College of Computer, Mathematical & Natural Sciences
Colonial Ballroom, SSU, 2nd floor

College of Education
Margaret Brent Room, SSU, 2nd floor

A. James Clark School of Engineering
HoffTheater, SSU, Ground floor

College of Information Studies
Pyon Su Room, SSU, 2nd floor

Philip Merrill College of Journalism
Benjamin Banneker Room, SSU, 2nd floor

School of Public Health
Charles Carroll Room, SSU, 2nd floor

School of Public Policy
Room 1126, Taliaferro Hall

GRAB A BITE
Eating in the dining halls offers you the true lunch experience of a UMD student. Your options are South Campus Dining Hall, 251 North, North Campus Diner and Maryland Hillel-Kosher Dining Program. There are also food outlets in the Adele H. Stamp Student Union for quick bites.
10 a.m.  COLLEGE BREAKOUT SESSIONS
Most colleges will provide an escort to these locations.

College of Agriculture & Natural Resources
- Agricultural and Resource Economics – Room 2200, Symons Hall
- Animal Sciences and Pre-Veterinary Medicine – Campus Farm
- Dietetics – Room 1309, Edward St. John Center
- Environmental Science & Policy – Room B0320, Edward St. John Center
- Environmental Science & Technology – Room 1420, Animal Science Building
- Nutritional Science and Food Science – Room 0101, Skinner Hall
- Plant Science; Landscape Architecture; Agricultural Science & Technology – Room 2139, Plant Sciences Building

School of Architecture, Planning & Preservation
Tour of Architecture building and facilities – Room 1200, Architecture Building

College of Arts & Humanities
- American Studies – Room 1324, Tawes Hall
- Arabic Studies – Room 3115, H.J. Patterson Hall
- Art History and Archaeology – Room 4213, Art-Sociology Building
- Art Studio – Room 1211, Art-Sociology Building
- Chinese – Room 1117, Jiménez Hall (CHIN102) or Room 1124, Jiménez Hall (CHIN203)
- Classics – Room 1210, Marie Mount Hall
- Communication – Room 0102, Tydings Hall
- Dance – Room 2804, The Clarice
- English – Room 3248, Tawes Hall
- Film Studies – Room 3250, Tawes Hall
- French – Room 3106, Jiménez Hall
- Germanic Studies – Room 3224, Jiménez Hall
- History – Room 2120, Key Hall
- Italian & Romance Languages – Room 3103, Jiménez Hall
- Japanese – Room 4218, Jiménez Hall
- Jewish Studies – Room 4141, Susquehanna Hall
- Linguistics – Room 1401, Marie Mount Hall
- Music – Room 2200, The Clarice
- Persian Studies – Room 3115, H.J. Patterson Hall
- Philosophy – Room 1116, Skinner Hall
- Russian Studies – Room 2106, Jiménez Hall
- Spanish – Room 2211, Jiménez Hall
- Theatre – Room 2804, The Clarice
- Women’s Studies – Room 2101, Woods Hall

College of Behavioral & Social Sciences
- African American Studies – Room 1102, Taliaferro Hall
- Anthropology – Room 1102, Woods Hall
- Criminology & Criminal Justice – Margaret Brent Room, SSU
- Economics – Juan Jiménez Room, SSU
- Environmental Science & Policy – Room B0320, Edward St. John Center
- Geographical Sciences – Room 1166, LeFrak Hall
- Government and Politics – Atrium, SSU
- Hearing & Speech Sciences – Room 0104a, LeFrak Hall
- Psychology – Benjamin Banneker Room, SSU
- Sociology – Room 2108, Art-Sociology Building

College of Computer, Mathematical & Natural Sciences
- Astronomy – Departing from the Colony Ballroom, SSU
- Atmospheric and Oceanic Science – Crossland Room, SSU
- Biochemistry and Chemistry – Room 0130, Nyumburu Cultural Center
- Biological Sciences – Prince George’s Room, SSU
- Computer Science – Colony Ballroom, SSU
- Geology – Calvert Room, SSU
- Physics – Pyon Su Room, SSU

College of Education – Room 0220, Benjamin Building

A. James Clark School of Engineering
- Aerospace Engineering – Room 2324, Atlantic Building
- Bioengineering – Room 1101, A. James Clark Hall
- Chemical & Biomolecular Engineering – Room 2108, Chemical & Nuclear Engineering Building
- Civil & Environmental Engineering – Room 1121, Computer Science Instructional Center
- Electrical & Computer Engineering – Room 2460, A.V. Williams Building
- Fire Protection Engineering – Room 3106, J.M. Patterson Building
- Materials Science & Engineering – Room 1302, Chemical & Nuclear Engineering Building
- Mechanical Engineering – Room 1113, Atlantic Building
- Undecided Engineering – Room 2201, Chemistry Building

Philip Merrill College of Journalism
Tour of Knight Hall – Benjamin Banneker Room, SSU

School of Public Health Major Fair
- Charles Carroll Room, SSU

School of Public Policy – Room 1126, Taliaferro Hall
11 a.m.

[**H**] HONORS COLLEGE SESSIONS
If you were invited to join the Honors College, choose from the sessions with an [H] designation in the schedule to learn about the program for which you were selected.

Information Express: 11 a.m. – 1 p.m.
Grand Ballroom, Stamp Student Union, 1st floor

Financial Aid Consultations: 11 a.m. - 1 p.m.
Grand Ballroom Lounge, Stamp Student Union, 1st floor

Residence Hall Tours: 11:30 a.m. - 2:30 p.m.
Hagerstown Hall & LaPlata Hall in Ellicott Community
Below you will find descriptions of sessions that are available. In order to take full advantage of today’s activities, we recommend you select one session per hour. If you have one or more family members or friends in attendance, you may want to have each person attend a different session. Locations and times for events are listed on the previous page.

**Allied Health (Physician Assistant, Physical Therapy, Pharmacy and Nursing)** - Explore how our Health Professions Advising Office helps students from majors across campus prepare for professional school in the allied health fields. This session will also include information about the Guaranteed Admission Pathway for students interested in earning a Bachelors in Nursing Science from the UMD School of Nursing.

**Carillon Communities** - In Carillon Communities you have the opportunity to become a creative problem solver as you work collaboratively with faculty mentors and peers to address a big question important to our world and your own educational path. If you were invited to Carillon, please join faculty, staff and students to learn more about the program and the Big Questions that will be addressed this year. Carillon will help you turn your curiosity into action.

**Global Communities** - This is an invitation to become an active and engaged citizen through a focus on community service learning, political engagement and leadership development. If you were invited to join or are interested in Global Communities, please join faculty, staff, program alumni and current students to learn about the program and tour Somerset Hall, which houses CIVICUS.

**College Park Scholars** - Learn more about College Park Scholars, a vibrant living-learning community for academically talented students interested in thinking across disciplinary boundaries and applying what they learn in internships, research, education abroad and service settings. You will have the opportunity to meet with Scholars faculty, staff and students and to tour a residence hall.

**Education Abroad** - Fearless Terps expand their world through study abroad! Explore all the options for studying, living, interning and discovering new cultures and cities while earning credit. All UMD students have access to a variety of programs designed to meet their academic and professional goals. Join our Education Abroad Office and recently returned students to learn more.

**The First-Year Innovation & Research Experience (FIRE)** - FIRE provides inquiry-based experiences and mentorship for first-year students through membership in faculty-led innovation and research streams.

**Freshmen Connection: Spring 2020 Admitted Students** - Learn how to begin your UMD education in Fall 2019 with the Freshmen Connection Program. Earn up to 17 credits, connect to the university’s vast resources and get on track to graduate in four years. Former Freshmen Connection students will join UMD staff to answer questions throughout this informative session.

**Global Communities** - This session is for students who have been invited to join the Global Communities living-learning program. Faculty, staff and current students will discuss this program. The session concludes with a tour of Dorchester Hall, which houses the program.

**Home Away From Home: Life in the Residence Hall** - Living on campus can enhance a student’s academic success. The Department of Resident Life staff will discuss campus housing options and academic support systems in the residence halls.

**IT Resources at UMD** - Join a leader from UMD’s Division of Information Technology to learn more about the information technology services available to you as a student at the university.

**Pre-Law** - Explore how our pre-law advising helps students across campus prepare for law school.

**Pre-Medicine & Pre-Dentistry** - Explore how our Health Professions Advising Office helps students from majors across campus prepare for medical and dental school.

**[H] Honors College Sessions** - If you were invited to join the Honors College, these sessions will provide more information about the living-learning program you were admitted into.

**[H] Advanced Cybersecurity Experience for Students (ACES)** - ACES develops successful forward-thinking cyber leaders who create a safer world by embracing both the technical and nontechnical aspects of cybersecurity. Please join ACES leadership and current students to learn more.

**[H] Design Cultures and Creativity (DCC)** - DCC explores links between emerging media, society and creative practices. We are theorists and thinkers who investigate the digital age through building, designing and creating. Please join DCC leadership and current students to learn more.

**[H] Entrepreneurship & Innovation Program (EIP)** - EIP is an interdisciplinary program to help students develop entrepreneurial mindsets and skill sets to launch innovative, impactful and successful concepts. Please join EIP leadership and current students to learn more.

**[H] Gemstone** - A rigorous and rewarding undergraduate research experience utilizing a multidisciplinary team approach. In partnership with extraordinary faculty, Gemstone research teams advance knowledge and explore society’s urgent questions. Please join Gemstone leadership and current students to learn more.

**[H] Honors Humanities** - If you have diverse interests in the humanities and creative arts and are a critical thinker who values great books, humanitarian services and a small, close-knit community, please join Honors Humanities leadership and current students to learn more.

**[H] Integrated Life Sciences (ILS)** - ILS seeks to inspire, educate and launch the professional careers of honors students interested in all aspects of the life sciences, including biology, bioengineering, biochemistry and medicine. Please join ILS leadership and current ILS students to learn more.

**[H] University Honors (UH)** - As the largest and most flexible interdisciplinary program in the Honors College, UH enables students to chart paths of self-discovery as they select from among 130 multidisciplinary courses every year. Please join Honors College leadership and current UH students to learn more.
INFORMATION EXPRESS PARTICIPANTS: 11 a.m. - 1 p.m.
Stop by the Grand Ballroom of the Stamp Student Union to learn more about the university’s colleges, programs and services. You’ll have the opportunity to speak with representatives from each college as well as:

- Air Force ROTC
- Alumni Association
- Arabic & Persian Programs
- Army ROTC
- Athletics Marketing
- BioFIRE Living-Learning Program
- Carillon Communities
- CIVICUS Living-Learning Program
- Counseling Center
- Dining Services
- Division of Information Technology
- Department of Transportation Services
- Driskell Center
- Education Abroad
- Federal & Global Fellows Programs
- Office of Student Financial Aid
- FIRE: The First-Year Innovation & Research Experience
- Global Communities
- Health Center
- Individual Studies Program
- Jiménez-Porter Writers’ House
- LGBT Equity Center
- Language House
- Leadership & Community Service Learning
- Maryland Hillel
- Mighty Sound of Maryland
- School of Music
- Navy ROTC
- Orientation
- Public Safety
- QUEST Honors Program
- Department of Resident Life
- Adele H. Stamp Student Union Center for Campus Life
- Office of Undergraduate Admissions
- University Recreation & Wellness

FINANCIAL AID CONSULTATIONS: 11 a.m. - 1 p.m.
The Office of Student Financial Aid will offer 15-minute one-on-one consultations between 11:00 a.m. and 1:00 p.m. in the Grand Ballroom Lounge, Stamp Student Union, 1st floor. Due to time constraints, tickets are required. These limited tickets, available on a first-come, first-served basis, will be distributed at the information table in the main lobby of the Stamp Student Union starting at 10:00 a.m., while supplies last.

TOURS
Campus Walking Tour – Take a 50-minute walking tour of campus led by a UMD student. Tours depart at 11 a.m., 12 p.m., and 1 p.m. from the Hoff Theater, Stamp Student Union, ground floor. Due to space constraints, tickets are required. Tickets are available on a first-come, first-serve basis, and will be distributed at the Campus Tour table during breakfast and in the main lobby of the Stamp Student Union from 10:00 a.m. to 1:00 p.m., while supplies last.

Engineering Facilities Tours – Depart at 11:15 a.m. & 12:15 p.m. from the Grand Ballroom, Stamp Student Union.

- Space Systems Laboratory Neutral Buoyancy Tank – Explore our Neutral Buoyancy Facility; a 50ft wide, 25ft deep and 367,000-gallon water tank dedicated to making humans more productive while working in space.

- Fire Protection Engineering Laboratory – What makes a fire tornado whirl? How many candle tricks can you do? Have you ever looked inside a flame? Tour the unique fire lab facilities and see innovations in fire research.

- Keystone Laboratory – Get an overview of the Introduction to Engineering Design course as well as the Keystone program that focuses on support and retention within the first two years of engineering at UMD.

Eppley Recreation Center Tour – Take a 30-minute tour of the recreation/fitness center. Tour departs at 1:00 p.m. from the Grand Ballroom, Stamp Student Union.

Language House Tour – Visit the Language House, in St. Mary’s Hall, to learn about this exciting language-immersion living-learning program that helps students study and develop fluency in one of ten languages. Tour departs at 12:00 p.m. from the Lounge (Room 0106), St. Mary’s Hall.

Residence Hall Tour – Join Resident Life staff and current students to learn more about the UMD residential experience and enjoy a guided tour through a residence hall. Tours will originate from Hagerstown Hall and LaPlata Hall in Ellicott Community (check out the TERPlife app for a map) and are open for visitors from 11:30 a.m. to 2:30 p.m. For any additional questions, please stop by the Resident Life table at Information Express.
