Below you will find descriptions of sessions that are available. In order to take full advantage of the activities available, we recommend you select one session per hour. If you have one or more family members or friends in attendance, you may want to have each person attend a different session. Locations and times for events are listed inside.

**Allied Health (Physician Assistant, Physical Therapy, Pharmacy and Nursing)** - Explore how our Health Professions Advising Office helps students from majors across campus prepare for professional school in the Allied Health fields. This session will also include information about the Guaranteed Admission Pathway for students interested in earning a Bachelors in Nursing Science (BSN) from the UMD School of Nursing.

**AskAlumni** - Join recent grads and current students for a casual, interactive session to learn how to get involved in campus; find mentors and internships as a student; and what attending UMD is really like.

**Carillon Communities** - If you were invited to Carillon Communities please join faculty, staff and students to learn more about the program. This living and learning program teaches emergent problem solving strategies to drive academic success and tackle wicked problems, while exploring your interests and maximizing your college education.

**CIVICUS** - If you were invited to join or are interested in the CIVICUS living and learning program, meet faculty, staff, program alumni and current students to learn about the program and tour Sunset Hall, which houses CIVICUS. CIVICUS focuses on citizenship, leadership, community service learning, community building in a diverse society and scholarship.

**College Park Scholars** - Learn more about College Park Scholars, a vibrant living and learning community for academically talented students interested in exploring society’s urgent questions. Please join the Director, Dr. Frank Coale, and current students to learn more.

**CIVICUS** - If you were invited to join or are interested in the CIVICUS living and learning program, meet faculty, staff, program alumni and current students to learn about the program and tour Sunset Hall, which houses CIVICUS. CIVICUS focuses on citizenship, leadership, community service learning, community building in a diverse society and scholarship.

**Education Abroad** - Fearless Terps expand their world through study abroad! Explore all the options for studying, living, interning and discovering new cultures and cities while earning credit. All UMD students have access to a variety of programs designed to meet their academic and professional goals. Join our staff and recently returned students to learn more!

**FIRE: The First-Year Innovation & Research Experience** - This program provides inquiry-based experiences and mentorship for first-year students through membership in faculty-led innovation and research streams.

**Freshmen Connection: Spring 2019 Admitted Students** - Learn how to begin your Maryland education in Fall 2018 with the Freshmen Connection Program. Earn up to 17 credits, connect to the university’s vast resources and get on track to graduate in four years. Former Freshmen Connection students will join Freshmen Connection and Resident Life staff to answer questions throughout this informative session.

**Global Communities** - This session is for students who have been invited(1,6),(997,994) to join the Global Communities living and learning program. Faculty, staff and current students will discuss this program, which focuses on fostering globalization, global issues and intercultural understanding.

**Home Away From Home: Life in the Residence Hall** - Living on campus can enhance a student’s academic success. The Department of Residential Life staff will discuss campus housing options and academic support systems in the residence halls.

**IT Resources at Maryland** - Join a leader from Maryland’s Division of Information Technology to learn more about the information technology services available to you as a student at the university.

**Pre-Law** - Explore how our pre-law advising helps students prepare for law school.

**Pre-Medicine & Pre-Dentistry** - Explore how our Health Professions Advising Office helps students from majors across campus prepare for medical and dental school.

**[H] Honors College Sessions** - If you were invited to join the Honors College, these sessions will provide more information about the living and learning program you were admitted into.

**[H] Advanced Cybersecurity Experience for Students (ACES)** - ACES develops successful forward-thinking cyber leaders who create a safer world by embracing both the technical and nontectical aspects of cyber security. Please join ACES leadership and current students to learn more.

**[H] Design Cultures and Creativity (DCC)** - DCC explores links between emerging media, society and creative practices; we are theorists and thinkers in thinking across disciplinary boundaries and applying what they learn in internships, research, education abroad and service settings. Meet with Scholars faculty, staff and students and tour a residence hall.

**[H] Entrepreneurship & Innovation Program (EIP)** - EIP is an interdisciplinary program to help students develop the entrepreneurial mindset and skill set to launch innovative, impactful and successful concepts. Please join Program Director, Jay Smith, and current students to learn more.

**[H] Gemstone** - Rigorous and rewarding undergraduate research experience utilizing a multidisciplinary team approach. In partnership with extraordinary faculty, Gemstone research teams advance knowledge and explore society’s urgent questions. Please join the Director, Dr. Frank Coale, and current students to learn more.

**[H] Honors Humanities** - If you have diverse interests in the humanities and creative arts and are a critical thinker who values great books, literature and arts, services and a small, close-knit community, please join Honors Humanities Director, Gregory Staley, and current students to learn more.

**[H] Integrated Life Sciences (ILS)** - ILS works to inspire, educate and launch the professional careers of honors students interested in all aspects of the life sciences, including biology, bioengineering, biochemistry and medicine. Please join Director, Todd Cooke, and current ILS students to learn more.

**[H] University Honors (UH)** - As the largest and most flexible living-learning program in the Honors College, UH enables students to chart paths of self-discovery as they select from among 130 multi-disciplinary seminars every year. Please join Associate Director of the Honors College, Dr. Stephan Blatti, and current students to learn more.

**SCHEDULE**

**FRIDAY • APRIL 13, 2018**

**WELCOME!** We hope you have a great experience meeting with current students, faculty and staff and exploring Maryland’s endless opportunities today.

**GETTING STARTED**

- Carefully review the program and note sessions and tours that interest you. You can build a custom schedule below or using the TERPlife app. Search for “Admitted Student Open House” to get started after downloading the app.

- Tickets are required for Campus Walking Tours and Financial Aid Consultations, and will be available for pick up during breakfast in the morning.

- Be sure to make time for lunch as you plan out your day. As a registered guest, you will receive a voucher for a discount to be used at any one of our dining halls.

- Shuttles will be available throughout the day to return you to your parking location. The last shuttle departs from Cole Field House at 5:00 p.m.

FINANCIAL AID CONSULTATIONS: 11 a.m.-1 p.m.
The Office of Student Financial Aid will offer one-on-one 15-minute consultations between 11:00 a.m. and 1:00 p.m. in the Grand Ballroom Lounge, Stamp Student Union. Due to time constraints, tickets are required. These limited tickets, available on a first-come, first-served basis, will be distributed at the Office of Student Financial Aid table during breakfast from 8-8:45 a.m.

TOURS
Campus Walking Tour - Take a 50-minute walking tour of campus led by a Maryland student. Tours depart promptly at 11 a.m., 11:30 a.m., 12 p.m., 12:30 p.m., and 1 p.m. from the Prince George's Room, Stamp Student Union, 1st Floor. Due to space constraints, tickets are required. These limited tickets, available on a first-come, first-serve basis, will be distributed at the Campus Tour table during breakfast and in the main lobby of the Stamp Student Union.

Engineering Facilities Tours - Depart from the A. James Clark School of Engineering table at 11:00 a.m. & 12:00 p.m. during Information Express.

• Fire Protection Engineering Laboratory - What makes a fire tornado whirl? How many candle tricks can you do? Have you ever looked inside a furnace? Tour the unique fire lab facilities and see innovations in fire research.

• Keystone Laboratory - Get an overview of the Introduction to Engineering Design course as well as the Keystone program that focuses on support and retention within the first two years of engineering at Maryland.

Epplle Recreation Center Tour - Take a 30-minute tour of the recreation/fitness center. Tour departs at 1:00 p.m. from Information Express.

Language House Tour - Visit the Language House, in St. Mary's Hall, to learn about this exciting language-immersion living and learning program that helps students study and develop fluency in one of ten languages. Tours depart at 12:00 p.m. from the Lounge (Room 0106), St. Mary's Hall, across from the Stamp Student Union.

Residence Hall Tour - Join Resident Life staff and current students to learn more about the University's colleges, programs and services. You'll have the opportunity to speak with representatives from each college as well as:

• Office of Student Financial Aid
• FIRE: The First-Year Innovation & Research Program
• Global Communities
• Maryland Hillel
• Individual Studies Program
• Jiménez-Porter Writers' House
• LGBT Equity Center
• Language House
• Leadership & Community Service Learning
• Mighty Sound of Maryland
• School of Music
• Orientation
• Public Safety
• QUEST Honors Program
• Department of Resident Life
• Adele H. Stamp Student Union Center for Campus Life
• Office of Transfer & Off-Campus Student Life
• Office of Undergraduate Admissions
• Office of Undergraduate Studies
• University Career Center & The President's Promise
• University Recreation & Wellness

INFORMATION EXPRESS PARTICIPANTS: 11 a.m.-1 p.m.
Stop by the Colony Ballrooms of the Stamp Student Union to learn more about the University's colleges, programs and services. You'll have the opportunity to speak with representatives from each college as well as:

• Air Force ROTC
• Alumni Association
• Arabic & Persian Programs
• Army ROTC
• Athletics Marketing
• Carroll Communities
• CIVICUS Living & Learning Program
• Counseling Center
• Dining Services
• Division of Information Technology
• Department of Transportation Services
• Education Abroad
• Federal Semester & Global Semester Programs

• Office of Student Financial Aid
